A reminder that November 21st is the last day to file for May graduation. If you have not yet picked up your application from the Registrar's Office , do so today. The Student Bulletin of October 21st had the complete message.

FALL EXAM SCHEDULE

Fall 1979 examination schedule is available in the Registrar's Office. Come pick-up your copy so you can plan ahead.

NURSING AIDES

Part-time nursing aides needed daily at Carondelet Center. We are particularly interested in students who can work during vacation and break times, starting at 4 PM. Contact Elizabeth Ferrara, head nurse, from 9 AM - 3PM at 272-8016.

RAY BRADBURY

Is there any campus organization or class who has scheduled the services of Mr. Ray Bradbury for February 15th 1980 ????? We've been looking all over for you. Please contact the Student Development Office. See Marcia.

FINANCIAL AID

Until a new Director of Financial Aid is appointed, Financial Aid Business can be taken care of in H 321 on Tuesdays, Wednesdays and Fridays with Sr. Jeanne Anne.

ACADEMIC CALENDAR

Because the college has been operating on the 4-1-4 calendar for six years now, last year's Academic Board asked that an ad hoc committee be appointed to make a study of the effectiveness of the 4-1-4 calendar. The following persons agreed to serve: Sister Mary Frederick Arnold, Barbara Becker, Sister Rebecca Doan, Sister Catherine Edwards, Sister Catherine Therese Knoop, Sister Helen Oswald, Mimi Simson, Carol Slacks, Cathy Vallejo, and Marie Zeuthen.

The committee met throughout the summer and gathered data on the academic calendar. Now, as part of their review, they are conducting a survey of students, faculty, and administrators. A random sampling of sophomore, junior, and senior students will be asked to complete the survey instrument, as will all full-time faculty (except those new to the college since January 1979) and members of the administrative staff who are involved in areas relating to the educational program.

If you are among those receiving a survey form, we strongly urge you to complete and return it by the deadline date, Wednesday, November 21st. Because we are using a random sampling of students, it is imperative that we receive a high percentage of response. We will be most grateful for your cooperation. Our goal is to submit our final report to the Curriculum Committee early in the Spring term.

"ON BROADWAY"

Be sure to buy your tickets for "On Broadway" which will be presented on November 16th and 17th, with the student preview on November 15th. Tickets are $3.00 for adults, $1.50 for children and $2.50 for students. Tickets went on sale this week and can be purchased from Barbara Mickens and Dana Franco. We guarentee each and every one of you who attend a pleasant evening !!

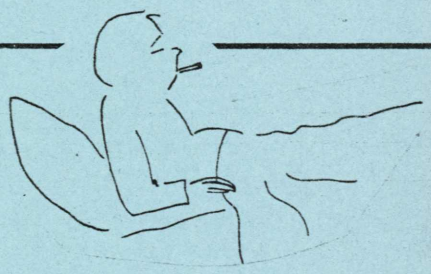

COMMUTER MAILBOXES

If you are a commuter, you have a mailbox!!! How do you recognize it? It is those metal boxes with your initials on it in the hallway area between the Campus Center and the 1st floor offices. Please check your box (according to the initial of your last name) to be sure you aren't missing something. Messages and notes are beginning to accumulate.

MSMC Health Service ~newsletter~

COLDS

CAUSES

The common cold is caused by a tiny virus called the rhinovirus. There are over 200 known varieties of rhinovirus, which means that although you have some immunity to the cold virus after you have the cold, there are still 199 other types of rhinovirus to which you are not immune. The rhinovirus works by invading one or more of the body's cells, multiplying inside the cell, destroying the cell, and then spreading to other cells. Because the cold is caused by a virus, it will not be affected by any kind of antibiotic treatment.

SYMPTOMS

You almost always have:
- a runny or stuffy nose
- a sore or scratchy throat
- aches and pains
- a general feeling of fatigue
- a headache

Sometimes on top of it all you get:
- a temperature of up to 100°
- a cough
- sneezing
- watery eyes

BEWARE if you have:
- a fever of over 100°
- a bad cough with no other symptoms
- a cough with green, gray or rusty sputum
- chest pains
- white or yellow spots on throat
- tender lymph glands
- symptoms that persist over 2 weeks

If you have any of these last symptoms, you should see a doctor as soon as possible. You may have more than a cold!

PREVENTION

The best way to treat the common cold is to avoid getting one in the first place.

1) Keep up yor natural resistance. Eat a regular, well-balanced diet, get plenty of sleep and exercise regularly!
2) Keep the humidity up in your living area. The cold virus has a greater chance of overcoming your body's natural defenses if your mucous membranes are dry.
3) Avoid people who have colds! If you have the cold, try to avoid spreading it around!
4) Don't smoke! Smoking dries and irritates the mucous membranes and destroys cilia in the nose and throat.

TREATMENT

The cold virus is all around us, and in spite of your best efforts, you will most likely catch one. The MSMC Health Service recommends:

- get plenty of rest (to make you feel better, to prevent complications, & to keep you from spreading it around)
- take aspirin for the aches and fever
- use decongestants or anti-histamines (one or the other, not both) only as needed to relieve symptoms. They won't cure a cold.

SEE THE HEALTH SERVICE OR YOUR HEALTH ADVOCATES TO LEARN MORE ABOUT COLDS!!

News Office
MOUNT
St. MARY's
COLLEGE

Notes on
the verge of
Thanksgiving
& Christmas '79
from Sister Anne Marie
—News Office director

* Whensoever you spot a shiny new million-dollar white-and-blue KNBC monstrously-long production-van at a football game, picture that same van stuck and overheating on a Chalon curve, twixt art building and library—then, giving up a second time, plump and middling in the road next to Carondelet Hall.

* Such it was at 7:15 a.m. on Halloween! The sun had put on a beautiful day; but recent gales had swept up all the flowers except for two dozen birds-of-paradise blazing against the white arches—setting for the Pi Theta Mu sorority scene. However, you'll see no paradise posies on tv, for an illegally parked whitish car had cozied up to the sole bouquet, for a couple of nights and days, and seemed to have full sanctuary against banishment. No amount of coaxing from KNBC could get TheThing moved.

* By late afternoon, though, the van having been towed into place, director Noel Miranda had perfected another of his On-Campus programs. And you'll love to see Channel 4 on Sunday, December 2 at 8:30 a.m., starring: Frank Brownstead and his women's choral ensemble; Sister Miriam Therese, Joe Burris from the board of directors for Independent Colleges of Southern California, and George Fenneman—about bioethics class for interterm; and Stephanie Weck, Pi Theta Mu prexy, with some of the 70 sorority members hostessing in the Circle. Hours of delay had propelled practically all of the sorority inside, for midterms. Academics over stardom!

* The same on-location taping included a new Mount choral segment for the Christmas On-Campus show airing on December 25—also on Channel 4. Costumed by Annemarie Timmer, the 30-member procession used chapel terrace and Nativity relief above the doors as locale for their "Gloria 'n Cielo." For accompaniment and accent, conductor Brownstead had a variety of handbells, trumpet, flutes, tambourine, triangles, and finger cymbals. As noted in news stories this week, these selections will be part of the annual Christmas choral concert, "live in Carondelet Center chapel" on November 30 at 8 p.m.

* For anyone who missed seeing Gabriele Olivka and Denise Ingerson on four mornings of Youth & the Issues, KHJ-Channel 9 has given the news office a tape. Watch bulletins for showing-times at the Chalon campus. On their segment, two men debaters from Ucla and Usc completed the student panel that interviewed Fr. Mike Nocita, a Krishna, and a Unification church lawyer on the topic "Cults vs. Religion."

* Still to come, at 6 a.m. on November 29, Channel 9's It Can Be Done show is airing the story of Mary Simpson, pretty blonde nursing major who's not letting the fact that she's an amputee interfere with earning her RN and a college degree from Doheny. The news office thanks her fellow student Mark Wallerstein for this tip—he's SNAC vice-president, too.

* That favorite Columbo mystery, "The Conspirators," had another run on CBS, 11:30 p.m. on November 1. Your friends were right when they told you they recognized the Doheny Pompeian hall, where actor Clive Revill is unmasked as being more than Irish singing poet.

* Reminder: as Christmas nears, watch for the diamond jewelry commercial filmed in the colonnade at Chalon—lit with a thousand tapers.

* Reprints enclosed are an introduction to our Sister Ignatia and her watercolors, unless you were among the 300 guests who attended her show in the gallery at Chalon, October 14-21. The Santa Monica Outlook gave her half a page of pictures and copy, related to Sister's pre-show discussions with students. The L.A. Times Sunday calendar outdid its reputation by embellishing the usual three lines of copy with Sister Ignatia's age, 93, and some compact details. Gerson Bender, accomplished photographer and friend of the college, is documenting the show with slides of the "Paintings from Five Decades," before they're returned to their accustomed walls on and off campus. The collection has 50+ pieces.

* Recounts of the regents' ball keep popping up in newspapers: photos and all in the November 8 Brentwood Post, nice account in the Outlook, three photos in the Valley News column—plus more pictures still to appear.

* Kathy Cresto, associate in the news office, has area releases peppering the bulletin board with names of new students, Pi Theta Mu and Delta members, and interterm students who'll spend January in Europe with Sisters Teresita and James Marien, from London to Vienna.

* Other recent clippings:

Sister Marie Loyola pictured in the Chronicle for Higher Education.

Da Camera review of the Primavera women's string quartet, in L.A. Times.

Father George O'Brien's writing-by-appointment photos—in so many papers.

Dr. David Turner's speaking engagements at Deleware and Toronto conventions.

"Fantastic" photography in gallery, until December 2.

Dr. Marianne Frostig's Movement Education.

More on Sister Thomas Bernard's classics in spirituality series.

Graduate education's credentials meeting.

Sister Joseph Adele's role at the English Council for Two-Year Colleges.

12001 Chalon Road
Los Angeles 90049

* Upcoming & in progress:

Doug Lowry's chamber orchestra concert on November 18.

Delores Stevens' chamber ensemble, Dec. 2.

Richard Fredricks, star with Met & NYC operas, at Msmc as well as at the Music Center, in the vocal development program, Dec. 5.

Patricia Woodlin's Year-of-the-Child exhibit in the Doheny gallery through November 15. She does the art experience course for early childhood education majors.

Dana Franco and Barbara Mickens, student emcees for the On-Broadway variety show, November 16 & 17 in the college theater.

Sister Cecilia Louise's unanimous election to chair the college trustees; and three names new to the board—Dr. Rosemary Park, J.R. Vaughan, and Dr. Marjorie Downing Wagner.

Sister Annette's renewed grant for Women in Science. Application deadline is December 20.

L.A. Times—in the works: Mary Ann Sterling, in admissions office, about the Executive Secretary specialization at Doheny; and a research & photo story about Chalon—requiring time with Sister Magdalen, Fr. Matt Delaney, Dr. Cheryl Mabey, Sister Catherine Therese, student leaders Katie Cariaga, Gina Poli, Stephanie Weck.

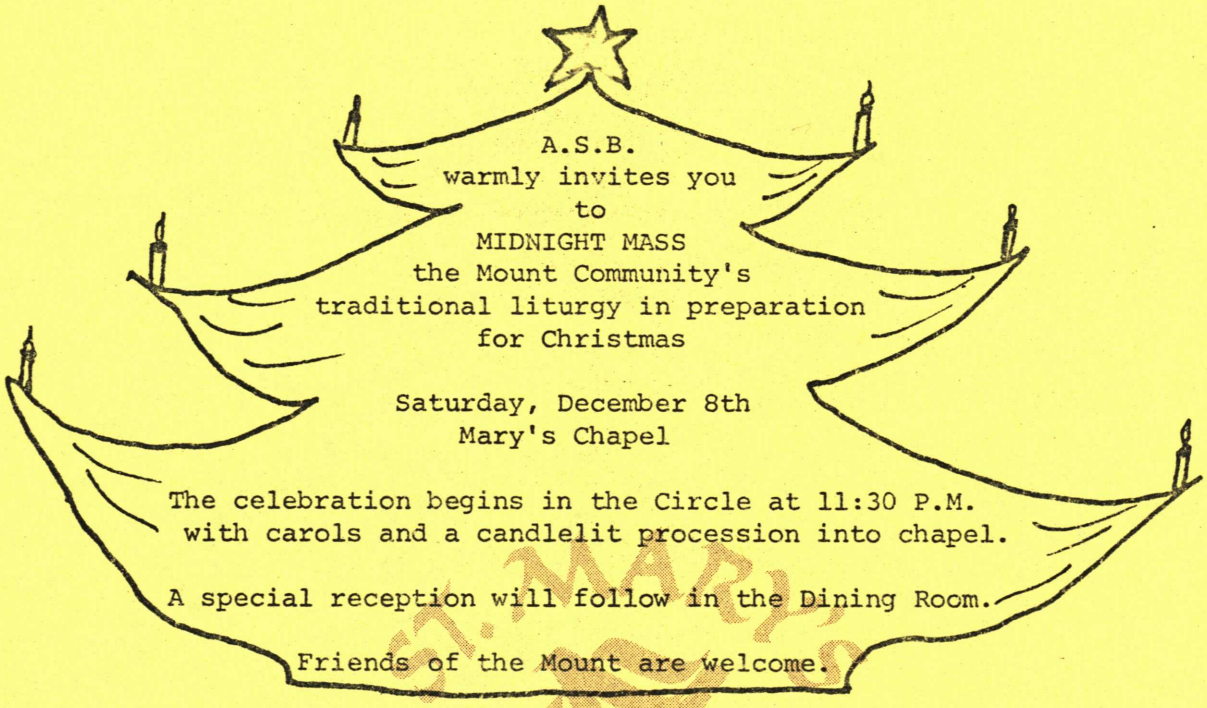

* And six weeks to go—until Christmas! May your holydays be a-tingle with the joy of the Lord within you.

FROM: Parking Committee

RE: Parking Information (Spring Semester, 1980)
DATE: February 6, 1980

As Spring Semester begins, there will not be sufficient parking spaces for everyone. The heavy traffic corresponds with the offering of classes, so Mondays and Wednesdays, 9 AM to 3 PM will be most inconvenient for us all.

To reduce the parking congestion and to comply with the Fire Department's regulations, 1. parking regulations will be consistently enforced beginning Thursday, February 14th; 2. Monday/Wednesday car pooling will be encouraged; and 3. free shuttle bus passes will be distributed upon request between the Synagogue parking lot and the campus. (See attached shuttle bus schedule.)

Monday/Wednesday Car Pools

Student volunteers will facilitate arranging car pools on Monday, February 11th on 2nd Floor Humanities. The first nine car pools of at least four persons per automobile will have reserved spaces in the circle. Special decals will be issued for the car pools; volunteer staff/students will be assigned to check car pools into the designated area beginning Monday, February 18th. The four person car pool area is to the left of the library -- the single parking spaced down the hill. Please note: these nine spaces will be reserved for car pools only on Mondays and Wednesdays. Additional car pooling space will be available by the tennis courts for car pools of at least three persons. If there are any questions about car pooling, please contact the Student Development Office.

Synagogue Parking Pass

There are 25 spaces at the Synagogue parking lot (corner of Saltair and Sunset). Complimentary shuttle bus passes are available when anyone requests a Synagogue Parking decal. The shuttle bus is at the parking lot at 7:40 AM and 9:15 AM and leaves the circle to return to the parking lot at 1:35 PM, 3:40 PM, and 4:45 PM. Please consult the bus schedule for departure times. (Sunset/Saltair stop.)

Parking Regulations

Attached is a copy of MSMC Chalon Campus parking regulations. PARKING REGULATIONS WILL BE ENFORCED THROUGH TICKETING AND TOWING BEGINNING THURSDAY, FEBRUARY 14TH.

Your cooperation in helping to reduce parking congestion is appreciated.

12001 Chalon Road, Los Angeles, California 90049 MOUNT St. MARY's COLLEGE

RE: Parking Information (Spring Semester, 1980)
DATE: February 6, 1980

As Spring Semester begins, there will not be sufficient parking spaces for everyone. The heavy traffic corresponds with the offering of classes, so Mondays and Wednesdays, 9 AM to 3 PM will be most inconvenient for us all.

To reduce the parking congestion and to comply with the Fire Department's regulations, 1. parking regulations will be consistently enforced beginning Thurdsay, February 14th; 2. Monday/Wednesday car pooling will be encouraged; and 3. free shuttle bus passes will be distributed upon request between the Synagogue parking lot and the campus. (See attached shuttle bus schedule.)

Monday/Wednesday Car Pools

Student volunteers will facilitate arranging car pools on Monday, February 11th on 2nd Floor Humanities. The first nine car pools of at least four persons per automobile will have reserved spaces in the circle. Special decals will be issued for the car pools; volunteer staff/students will be assigned to check car pools into the designated area beginning Monday, February 18th. The four person car pool area is to the left of the library -- the single parking spaced down the hill. Please note: these nine spaces will be reserved for car pools only on Mondays and Wednesdays. Additional car pooling space will be available by the tennis courts for car pools of at least three persons. If there are any questions about car pooling, please contact the Student Development Office.

Synagogue Parking Pass

There are 25 spaces at the Synagogue parking lot (corner of Saltair and Sunset). Complimentary shuttle bus passes are available when anyone requests a Synagogue Parking decal. The shuttle bus is at the parking lot at 7:40 AM and 9:15 AM and leaves the circle to return to the parking lot at 1:35 PM, 3:40 PM, and 4:45 PM. Please consult the bus schedule for departure times. (Sunset/Saltair stop.)

Parking Regulations

Attached is a copy of MSMC Chalon Campus parking regulations. PARKING REGULATIONS WILL BE ENFORCED THROUGH TICKETING AND TOWING BEGINNING THURSDAY, FEBRUARY 14TH.

Your cooperation in helping to reduce parking congestion is appreciated.

EDDIE

A.S.B. Campus Ministry presents another great Insight film...
EDDIE
A warm and perceptive look at an all too common problem. Super-jock Eddie is jolted when his first son is born retarded. By the time they bring the infant home, Eddie is seething. Unlike his wife who sadly accepts the situation, Eddie rages against it. He tells her to stop calling him Eddie Junior and instead use the name "Denny Dimwit." He forbids her to tell anyone, lashes out at his drinking buddies when they question him about the rumors, and finally decides to institutionalize the child before anyone can know. His wife will have none of it. Therefore, that night, with mother and child asleep, Eddie must deal alone with his own desperation. "How can you do this to us?" he shouts at God. Torn with anguish, unable to see any other solution, he moves to suffocate the child.CAST: Don Stroud Ellen Geer. THEME: God can use personal suffering to increase our capacity to love.
Show times: Tues., March 4th 6:30, Rumpus Room
Wed., March 5th, Noon, Campus Ministry Office.

SWIMMING POOL UPDATE

We had scheduled to do the plastering of the swimming pool and complete the decking during the last three weeks so that the pool is ready for students to use now, when the weather is beginning to get warm.

Due to the heavy rains at the end of February and the beginning of March, we experienced difficulties with a section of our main campus road--just west of the Carondelet Hall and the Heating Plant. The road developed a long crack and for that reason, we had to block off the outside lane of the road.

We are presently involved in getting reports from soil engineers and geologists and are hoping to start the recommended repair work as soon as the City building permits can be obtained and the drawings are ready.

All of these difficulties have also brought on the delay with the swimming pool. We have been urged to not let cement trucks and other heavy equipment pass over the damaged stretch of road, and therefore, we can not finish the pool at the present time.

We are extremely sorry, but it will not be possible to complete the repairs on the pool until the work on the road is done and this can not possibly take place before the end of this semester. Again, we are very sorry.

OVER →

Dear Students and Faculty,

On behalf of the 1980 Algerian delegation to the national Model United Nations . I want to extend a sincere thank you for supporting our mission to New York.

Without your support, the 14 delegates would not have been able to represent Algeria or Mount St. Mary's as well as we did.

Each delegate excelled in her particular role, as proved when three of us were elected rapporteurs of our committees, two were elected bloc coordinators, and the other delegates had thier resolutions passed and excelled in caucusing and speech making. Our representation of Algeria was indeed outstanding.

Once again, thank you for supporting your M.U.N. delegates of 1980.

Sincerely,

Kelly Cassidy
Chairperson

SIENA DAY - APRIL 30th

GUEST SPEAKER,

MAYA ANGELOU

Tall, stately and handsome, carrying herself with the dignity derived from centuries of a proud African heritage, Maya Angelou is the epitome of beautiful serenity. But the serenity actually is just a cloak for a sensitive, intelligent and eloquent woman who speaks lyrically with vigor, wit, fire and perception.

A lady of many talents is Maya Angelou. With just a high school education, she has been a singer, educator, dancer, author, historian, lecturer, actress, producer, editor, song writer and playwright. And she speaks six languages fluently.

Miss Angelou's background is as complex and interesting as the lady herself. Born in 1928 in St. Louis, Mo., she spent most of her early childhood with her grandmother in Stamps, Arkansas, a town one can hardly find on the map. In 1940 she and her family moved to San Francisco where Maya completed her schooling in 1943. Jobs were difficult for a 15 year old girl who had to go to work. Even at this early age she discovered that writing poetry brought relief from the problems of ordinary living. Determined eventually to carve out a stage career, Maya studied dance and drama at night while working a variety of jobs.

In 1952 her career took a significant upturn. She received a scholarship to study dance with Pearl Primus in New York. Returning to San Francisco early in 1954, Miss Angelou made her first professional appearance at the Purple Onion as a singer. She then joined the European touring company of "Porgy and Bess," sponsored by the U.S. State Department. She sang the role of *Ruby* and was the lead dancer in this production which, during 1954 and 1955 was presented in 22 countries in Europe and Africa. Between times she taught modern dance at the Rome Opera House and conducted classes in modern dance technique in the Habima Theatre in Tel Aviv.

Miss Angelou lived in Africa for a time and became the associate editor of The Arab Observer in Cairo, the only English language news weekly in the Middle East. She also wrote free-lance articles for The Ghanaian Times and for the Ghanaian Broadcasting Corp. in Accra and became assistant administrator of the School of Music and Drama in the University of Ghana. She concluded her stay in Africa in 1966 as feature editor of The African Review in Accra.

Random House has published five best-sellers by Miss Angelou: *I Know Why the Caged Bird Sings, Gather Together In My Name, (her two* autobiographical novels), and three books of poetry: *Just Give Me a Cool Drink of Water 'fore I Diiie,* and *Oh Pray My Wings Are Gonna Fit Me Well,* and *And Still I Rise.* Because of the overwhelming demand for these publications, all five volumes have been reprinted in paperback.

Miss Angelou has made over 100 TV appearances on network and local talk shows which of course include The Tonight Show (Johnny Carson), The Today Show, Merv Griffin, Mike Douglas, Kup's Show, etc., and was also the subject of an hour interview by Bill Moynahan on PBS.

Presently, Miss Angelou is writer-producer for 20th Century Fox TV, for whom her film "Sisters, Sisters" is her initial full-length effort. Her renown autobiographical accounting of her youth, "I Know Why the Caged Bird Sings" was aired as a two-hour TV special for CBS in April, 1979. Other television accomplishments are the five-part mini series, "Three Way Choice" for CBS, for which Miss Angelou is author and executive producer. For PBS she has hosted a study course filmed in thirty half-hour segments, "Humanities Through the Arts" produced at Golden State University and syndicated throughout the country. In 1977 Miss Angelou received the coveted Golden Eagle Award for her documentary, "Afro-American in the Arts" for PBS.

Honors from institutes of higher learning have been heaped upon Miss Angelou, among them the Chubb Fellowship from Yale, doctorates from Mills College, Lawrence University, Columbia College (Chicago), Occidental College, Central State University, Smith College, and she was on the Board of Visitors of Wake Forest University.

Miss Angelou has had articles published in countless national publications including Cosmopolitan, Red Book and The New York Times, etc., and in 1976 she was accorded The Ladies Home Journal award, "Woman of the Year in Communications" which she received on a nationally televised special. Miss Angelou's musical "And Still I Rise" for which she is librettist, lyricist and composer, is due for a Broadway opening in the near future. And – Miss Angelou is serving on Jimmy Carter's Presidential Commission for International Woman's Year (1978-1979).

Maya Angelou's appearances on college campuses and before private organizations are legendary. Her wealth of information and ability to speak with authority on countless subjects such as Equal Rights, The Arts, Politics, Women's Role in Business, Culture's Role in Society, etc., make Miss Angelou one of today's most in-demand personalities.

REGISTRAR'S OFFICE

To: Students, Faculty, and Administration
From: Sister Helen Oswald, Registrar
Subject: Early Registration for 1980-81

As all of you know, the College has recently installed a new computer system to meet our changing needs. This new system will let us make changes in our registration procedures that were not possible before.

Please read through the annotated calendar below so that you will have some acquaintance with the new procedures. If you have questions, please stop by the Registrar's Office and ask.

May 1980	Early Registration for Fall '80, Interterm '81. Presently enrolled students who are returning will register for Fall and Interterm. Class schedules, registration forms, and directions will be available in the Registrar's Office. (Hopefully by May 1, might be a few days later.)
May-July 31	New and transfer students will be advised and will complete Early Registration.
August 6	A copy of the student's Fall schedule, Business Office Invoice, calendar and information about the school year will be mailed to each student who has completed early registration.
September 4	Advisement and registration of new students who did not complete early registration.
September 5	Last day to meet financial obligations to MSMC. Students who have not met financial obligations by this deadline will be deleted from all records and class lists.
September 8	Classes begin.
November 10-21	Early Registration for Spring 1981 term.

Some of the changes to note:

(1) There will no longer be a "Registration Day." Early Registration together with meeting financial obligations complete the process.

(2) Last day to meet financial obligations will be strictly enforced. Students must plan ahead to schedule appointments for deferred payments and to see Financial Aid Officer. The registration of any student who does not meet this deadline will be totally deleted. If the student meets financial obligations after the deadline, all steps of the registration procedure must be repeated by the student. A late registration fee will be charged and there will be no guarantee that the same classes will be available.

(3) Once Early Registration is completed, a change of program will be made by means of the Add/Drop form.
